Confederation of Indian Industry

INTERNATIONAL TRADE FAIR AND CONFERENCE ON CABLE AND WIRE INDUSTRY

17 – 19 June, 2025

Bombay Exhibition Centre, Goregaon, Mumbai

Concurrent Show

PIPES & TUBES
2025

Your *Connection* to Growth

The wire and cable industry is vital to India's infrastructure, supporting power, telecom, railways, and construction. Recent growth is fueled by urbanization, government initiatives, and smart city development. With rising energy needs and tech advancements, the sector is poised for sustained growth.

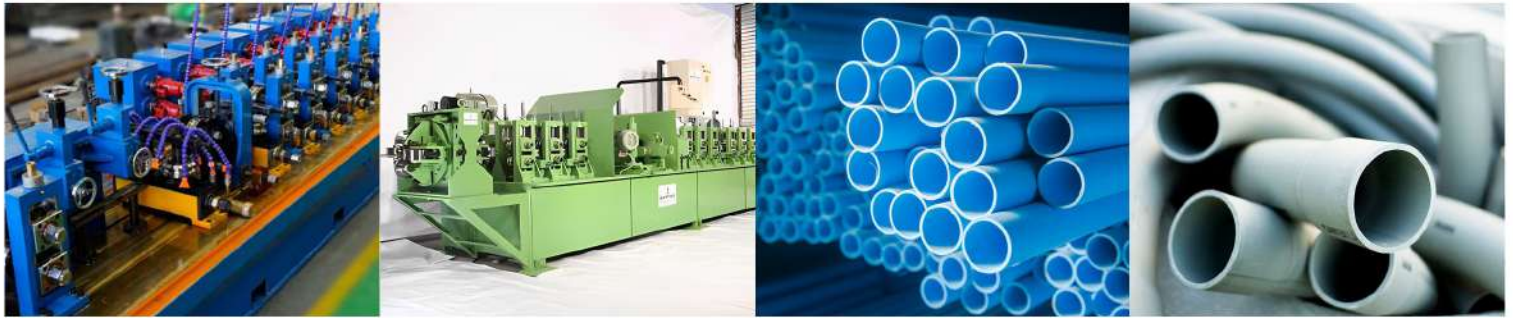

ABOUT THE INITIATIVE

The Confederation of Indian Industry (CII) WR is organizing the 2nd edition of Wire Tech 2025, an international exhibition and conference on the wire, cable, tube, and pipe industry, scheduled for 17–19 June 2025 at the Bombay Exhibition Centre, Mumbai. The event will showcase materials, machinery, and accessories for wire and cable production, fostering inclusive growth and sustainability. It aims to create a dynamic platform for industry leaders, policymakers, and end-users to drive resilience and innovation in the sector.

CONCURRENT SHOW

The tubes and pipes industry is a vital backbone of modern infrastructure, energy, and manufacturing sectors, supplying essential components for a wide range of applications, including oil and gas, construction, Transportation, water management, automotive, and power generation

KEY HIGHLIGHTS

3 Days (Mega trade fair on Wire, Cable, Pipe & Tube Sector)

100+ exhibitors Domestic & International Brands

Over 6000+ Business Visitors Expected to mark their presence in the show

5,000 sq mtr Exhibition Area

Multiple innovative products, services, resources & solutions on display

3 Days of power packed conference sessions which shall be attended by industry stalwarts

Live Demonstrations

Technology Pavilion

International Pavilions through Country Partners

B2B & G2B Meetings

International Buyers

Entire Wire & Cable Sector Under One Roof

Parallel Sessions

Technical Conference

EXHIBITOR PROFILE

Wire & Cable

Comprehensive Solutions for Wire & Cable Manufacturing, Processing, and Finishing

- Wire Rods
- Casting
- Bright Bars
- Rolling, Pressing, Forming
- Sheet Metal
- Drawing
- Speciality wire
- Surface and Heat Treatment
- Wire Manufacturing & Finishing Machinery
- Wire Cleaning, Machinery & Coating

Measuring and Controlling Technology

- Process Monitoring Systems
- Drive and Control Technology
- Quality assurance and Measuring Systems
- "Finished Product" Testing System

Welding and Electrode Manufacturing Machines Process Technology Tools

- For Casting
- For Extruding
- For Drawing
- For Rolling

Advanced Machinery and Technologies for Wire & Cable Manufacturing

- Wire Product Manufacturing Machinery
- Cable Sheathing and Insulating
- Fastener Machinery (Bolts, nuts rivets, nails)
- Stranding, Twisting, Bunching
- Spring Manufacturing Machinery Cable
- Cutting and Marking Machines
- Cable filling
- Insulation Stripper for Cables

Process Technology Materials

- Lubricants
- Shielding and strengthening
- Cleaning and Wetting Agents
- Coding inks
- Adhesives and Packaging
- Coding and printing equipments
- Plastic materials for Cable sheathing & insulating
- Others

Pipes & Tubes

Integrated Technologies and Materials for Tube, Pipe, and Profile Industries

- Tube, Pipe, Profile Manufacturing Machinery
- Steel & Other Metals
- Tube, Pipe, Profile Processing Technology
- Plastics and Composites
- Steel Processing Technology
- Tube, Pipe, Profile Manufacturers & Traders
- Auxiliary Tools & Equipment
- Materials and Consumables
- Fittings, Fasteners, Pump and Valve
- Rebuilt and Reconditioned Machinery
- Others

VISITOR PROFILE

Wire & Cable

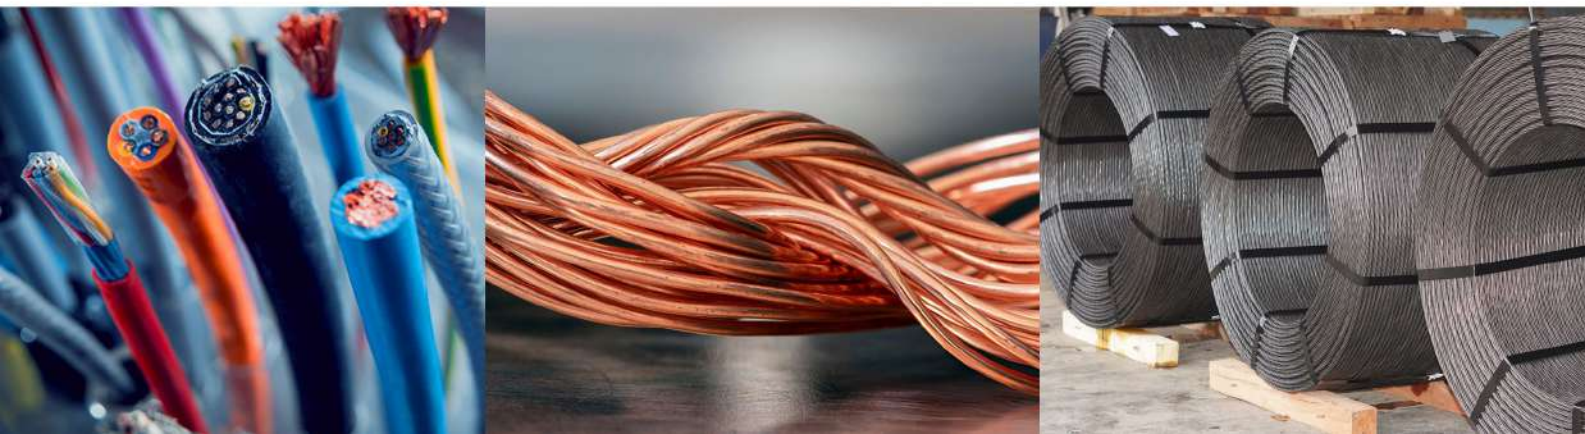

CEOs, Senior Executives, Decision-Makers, Engineers, Technicians, Buyers, Production Managers, Sales Managers from the following Industries

- The Wire Industry
- The Cable Industry
- Automotive Supply Industry
- Electrical Industry
- Aerospace Supply Industry
- Electrical Engineering and Electronics Industry
- Telecommunications Industry
- Computer Manufacturing
- Chemical Industry
- Building and Construction Industry

Pipes & Tubes

Comprehensive Tube, Pipe & Profile Solutions for Industrial & Utility Applications

- Manufacturer of Stainless Steel, Ferrous & Non-Ferrous Tube, Pipe & Profile
- Manufacturer of Composite & Plastic Tube, Pipe & Profile
- Trader of Stainless Steel, Ferrous & Non-Ferrous Tube, Pipe & Profile
- Trader of Composite & Plastic Tube, Pipe & Profile
- Public Utilities
- Rail, Shipbuilding, Offshore, Marine
- Refrigeration & HVAC
- Power & Steam Generation
- Water Treatment
- Heavy & Process Industries
- Others

PARTICIPATION CHARGES

Area (In Sqm)	CII Member (@ Rs/Per Sqm)	CII Non-Member (@ Rs/Per Sqm)	Foreign Companies (@ Euro/ Per Sqm)
Shell Scheme Booth (Min 9 Sqm)	11500	12000	200
Bare Space (Minimum 36 Sqm)	10500	11000	180
For MSME	9500	10000	NA

*GST 18% Additional

GLIMPSES AND MEDIA COVERAGE OF PREVIOUS EDITION

Confederation of Indian Industry

The Confederation of Indian Industry (CII) works to create and sustain an environment conducive to the development of India, partnering Industry, Government and civil society, through advisory and consultative processes.

CII is a non-government, not-for-profit, industry-led and industry-managed organization, with around 9,000 members from the private as well as public sectors, including SMEs and MNCs, and an indirect membership of over 365,000 enterprises from 294 national and regional sectoral industry bodies. For more than 125 years, CII has been engaged in shaping India's development journey and works proactively on transforming Indian Industry's engagement in national development. CII charts change by working closely with Government on policy issues, interfacing with thought leaders, and enhancing efficiency, competitiveness, and business opportunities for industry through a range of specialized services and strategic global linkages. It also provides a platform for consensus-building and networking on key issues.

Through its dedicated Centres of Excellence and Industry competitiveness initiatives, promotion of innovation and technology adoption, and partnerships for sustainability, CII plays a transformative part in shaping the future of the nation. Extending its agenda beyond business, CII assists industry to identify and execute corporate citizenship programmes across diverse domains including affirmative action, livelihoods, diversity management, skill development, empowerment of women, and sustainable development, to name a few.

For 2024-25, CII has identified "Globally Competitive India: Partnerships for Sustainable and Inclusive Growth" as its Theme, prioritizing 5 key pillars. During the year, it would align its initiatives and activities to facilitate strategic actions for driving India's global competitiveness and growth through a robust and resilient Indian industry.

With 70 offices, including 12 Centres of Excellence, in India, and 8 overseas offices in Australia, Egypt, Germany, Indonesia, Singapore, UAE, UK, and USA, as well as institutional partnerships with about 300 counterpart organizations in almost 100 countries, CII serves as a reference point for Indian industry and the international business community.
